# CERTIFICATE

registration number 2025/35

***Kyrylo Prykhodko***

from 24 March to 28 March 2025

has successfully completed the course 'Sustainable pathways and risk management in times of crisis' | «Сталі шляхи та управління ризиками в умовах криз»

As part of non-formal education in an interdisciplinary programme of the Erasmus+ Project Number: 2023-1-DE01-KA220-HED-000157119 entitled Transformational Learning Network for Resilience - Enabling Ukrainian higher education to ensure a sustainable and robust reconstruction of (post-war) Ukraine (TransLearnN).

Learning outcomes:

- ✓ Ability to make decisions in crisis situations
- ✓ Ability to stay on the path of sustainable development in conditions of limited resources
- ✓ Generate sustainable solutions to overcome challenges and seize opportunities in the face of multiple crises
- ✓ Synthesise sustainable multi-approach solutions for different sectors.
- ✓ Combine different administrative and managerial skills to support interdisciplinary synthesis of sustainable solutions.
