

Treviolo (Bergamo), Italy | 19<sup>th</sup> – 21<sup>st</sup> November 2024

# TECHNICAL TRAINING CERTIFICATE

This is to certify that the following person from **HLR (Ukraine)** has successfully completed a Technical Training Course for the duration of three (3) days in November 2024, conducted at our offices and factory located in Treviolo (BG) Italy.

**MR. VOLODYMYR MOSTOVYI**

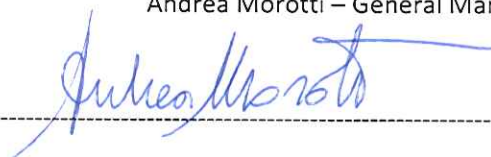

The course covered usage and technical service of our Material Testing Equipment for Concrete, Soil and Roads, in particular:

- Servo Research control unit for FRC tests;
- Unimec 300 kN;
- Maintenance and calibration of compression machines;
- Electromechanical oedometer Edomec;
- Electromechanical shear machine Shearmec;
- Triaxial testing system for soil;
- SmartLab software platform for soil and concrete applications;
- DTS-30 and TestLab software;
- Asphalt Mix Analyzer;
- Bitumen content furnace by ignition;
- Electromechanical dynamic testing system SmartPulse;
- Bending Beam Rheometer Plus.

While thanking Volodymyr for his attendance, we also wish him all the best in his future career.
